

# STUDENT VOICE

## BY THE NUMBERS

IowaSLI partnered with INVISION Architecture to poll student leaders about 21st Century learning strategies. Their voice says a lot about the opportunities for the future of education.

**25%**  
of students think  
there is no talk of  
**LEADING EDGE**  
learning strategies  
happening in their  
school districts.

Students stated  
their school has  
**COLLABORATIVE  
LEARNING SPACES**

Students stated  
their school has  
**ADEQUATE  
TECHNOLOGY**

**33%**  
prefer learning alone

**44%**  
prefer learning  
in small groups

**91%**  
agree that  
hands on  
learning is  
important.

**50%**

say lecture-based  
teaching is most  
commonly used.  
**LESS THAN HALF**  
prefer that style.
